

KingCo Track Coaches,

In an effort to streamline and maybe require less of any one school in any one year of putting on the KingCo Meet I have changed the assignments. I have basically gone from an alternating 2A/3A/4A year approach to an every year, all schools bring someone. See my revised list below as to your assignment, date you are responsible and how many volunteer workers. You will list your volunteer workers on your Pass Gate List.
